The call for applications for Wetlands for the Future projects for the 2020 cycle is now open. The advisory service is open until 30 August 2020 and the deadline for the submission of proposals is 24 October. Priority will be given to projects in the Caribbean and Central American countries.

Please consult the Operational Guidelines 2019-2021 here <https://www.ramsar.org/activity/wetlands-for-the-future>

Send the applications to americas@ramsar.org
